

# appointments

The Surgery is open at the following times:

**Monday to Friday: 8.30 am - 6.00 pm**

We offer both book on the day and pre-bookable appointments. Just under half of every surgery is available for pre-booking up to four weeks in advance. The aim is to be able to offer you an appointment with a Doctor on the day that you phone (this may be your own GP if he/she is available, if not you will be offered another Doctor) or if you are willing to wait to see your own GP or simply want to plan ahead we will be able to offer you a pre-bookable appointment. Appointments can also be pre-booked, in or out of hours, via our automated booking service. Just call the Surgery number (727531) and select option 1.

The timetable below will tell you which days your doctor is usually available.

**Remember if you cannot keep an appointment or no longer need it please contact us to cancel it. Due to the high number of untended pre-booked appointments, it is the practice policy to only offer 'book on the day' appointments to patients who have previously failed to attend a pre-booked appointment.**
